ABOUT STAND DOWNS

A stand down for homeless veterans is an idea from
the time of the Vietnam War when soldiers could
rest from combat and take care of personal hygiene,
receive warm meals, receive medical and dental
care, and enjoy the camaraderie of battle buddies in
a safe environment. For more information about
Stand Downs, please visit the National Center for
Homeless Veterans at www.nchv.org.

**SPREAD THE WORD to all of your veteran friends
and their families — all are welcome!**
